“Yo, Zastin! Put a little more punch into this scene, will ya?”

“Oh, certainly, Yuuki-sensei.”

On Lala’s orders, Zastin had been working as assistant to Yuuki Saibai (Occupation: Manga Artist). Already he had spent a few days attempting the task, which he was rather surprised to receive.

“Commander!”

“What is it?”

“How long must we continue with this assignment?”

So asked Buwatts, with his slicked-back blonde hair. He continued to draw with his right hand as he spoke.

“*Hmm...* How long, indeed...”

Placing his pen down, Zastin crossed his arms, deep in thought.

“Until we win the Rookie of the Year award with our debut!!”

Zastin and Buwatts turned their heads in surprise towards Maul, his black hair slicked back in the same style as Buwatts’.

His response was bold, and he too continued to illustrate a background as he delivered it.

“Rookie of the Year award, huh? *Hmm...* That doesn’t sound too bad...”

The thought carried Zastin off into his imagination; his eyes became distant. *Whack!* Buwatts hit Maul in the back of the head.

“Enough with that crap! You’re putting ideas in the Commander’s head!”

“Th-that’s right... Our orders were to protect Lala-sama! I’m sorry, Buwatts!”

“But lately, it’s like we haven’t been doing anything...” Zastin mumbled in a low voice.

“Commander-!” The miserable subordinates cried out, looking defeated.

*Ding-a-ling-a-ling~!* ♪

Suddenly, Zastin’s handheld communicator began to ring.

*Chompity-chomp!* Reacting to the sound, the dog bit down on the communicator.

“*Yargh!* Where’d you come from, dog?! Let go!!” Zastin blurted out, prying the communicator from its mouth. As he answered, however, he noted that the communicator was a bit sticky...

“Yes, this is Zastin.” As he spoke, a woman’s voice issued forth from the device:

“ZASTIN-SAMA! ZASTIN-SAMAAA!”

“GIVE ME THAT! OOH, ZASTIN-SAMAA!”

“ZASTIN-SAMA, OH PLEASE, WAIT FOR MEEE...”

Three women all spoke over one another.

“What?! It’s you all again...” Zastin broke out into a cold sweat.

## READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!

# Big TROUBLE in Little Bathtub

Yuuki Rito is your average high school student—awkward, shy, and hopeless when it comes to confessing his feelings to the girl of his dreams. But one day, a beautiful woman suddenly materializes in his bathtub! Her name is Lala Deviluke, an alien princess on the run from an intergalactic empire. After Rito gets unwittingly engaged to Lala, he soon finds himself sucked into a battle for Lala's affections, as alien suitors from across the galaxy vie for her hand in marriage. Rito's troubles have only just begun!
